

WRINKLED, CRIMPED PAPER

Materials

- Paper crimper tools (available in art and craft stores or catalogs)
- Dowel sticks
- Variety of papers

Directions

To create various crimped papers is very easy with the wide variety of commercial craft crimpers available.

Simply run the paper through these crimpers to create the various textured surfaces.

For a crinkled appearance, you can take tissue paper, brown paper bags, or any other soft paper and wrap around a dowel stick.

1. With your hand, press the paper around the dowel.
2. Repeat until you are satisfied with desired look.
