

# STAMPING WITH BLEACH AND USING A BLEACH PEN

## Materials

- dark, acid-free paper
- rubber stamp
- smooth textured sponge
- liquid bleach (use in a well ventilated area-supervise younger children)
- bleach pen

## Directions

1. Taking your sponge, dip it in the bleach.
2. Pat the sponge on the rubber stamp.
3. Stamp your paper.
4. Reapply bleach as necessary.
5. You may also apply the bleach onto the rubber stamp with the bleach pen or use it to draw directly on the paper.
