

PRINTING WITH A BRAYER

Materials

- Brayer with removable roller
- Rubber bands
- Adhesive-backed rubber (used for printmaking)
- Ink stamping pads
- Paper

Directions

1. Remove roller from brayer handle.
2. Wrap rubber bands around roller and replace in handle.
3. Roll over stamp pad and apply to paper.
4. Continue until you are satisfied with your design.
5. If you are using more than one color, roll excess ink on scrap paper to clean roller.
6. Roll over stamp pad of a different color and apply over design.
7. Using the adhesive-backed rubber, cut pieces to apply to roller.
8. Repeat steps for inking and applying color.
