

bubble WRAP PAPER

Materials

- Bubble wrap packing material
- Liquid paint or ink
- Watercolor paper, heavy paper

Directions

1. Spread the liquid paint or ink on paper surface.
2. Place the bubble wrap on the surface and push down or place a board or books on top to insure contact between the bubble wrap and paper.
3. Allow to dry.
4. When completely dry, remove the bubble wrap.
5. You may continue this process as many times as you wish to create more layers of color.
