1. Research book resources and/or internet and choose an artist that you would like to use for your restaurant menu. An artist may only be used once in each class, in other words....we should have one different artist for each student.
2. Select a copyright free image you would like to use on your menu (this could be a picture or self portrait of the artist, one of the artist's paintings or sculptures, or something else that we can recognize as being characteristic of that artist).

3. Gather information about your artist

1. In what country was the artist born? _____
2. In what country did the artist do most of his work? *Be able to locate and indicate these places on a map.*

3. When was the artist born? _____ When did the artist die? _____
4. Of what art history movement or period of art history was your artist?
(impressionist, classical, pop art, etc.) _____
5. In what medium did your artist work? (clay, paint, printmaking, etc.)

6. Did he pal around with other artists? List those artists.

7. Describe something ***unusual*** about your artist.

8. Explain the reasons for your choices for the menu selections.
